

OMAHA PARTNER CHURCHES / SCHOOLS UPDATE

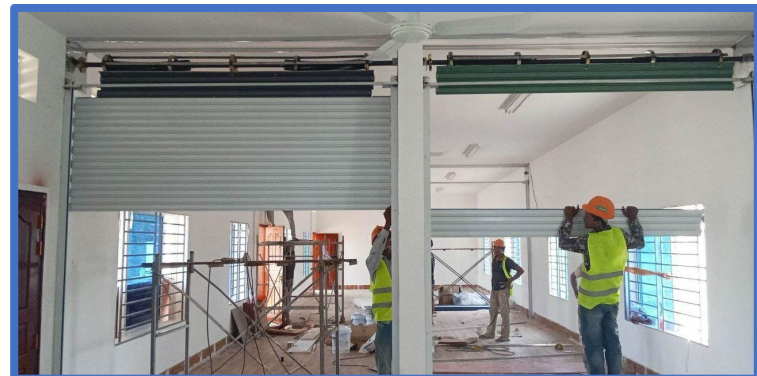

Building a Garuna Christian School in Prey Veng, Cambodia
In Partnership with Garuna Ministries
Update #10: May 1, 2023

HAPPY MAY DAY! You will be surprised to see all that has been done at your school since our last newsletter sent right before Easter. Enjoy taking a peek inside your school!!

CONSTRUCTION PROGRESS: This construction crew even had a few days off for their major Khmer New Year holiday in mid-April! Since then, they've been working on painting, restrooms, tile and floor finishes, fans, doors, windows, room dividers, flagpole, planters, and even the school logo is affixed.

A picture speaks a thousand words! Enjoy taking a peek at the Prey Veng 2 site!

We've ordered desks, whiteboards, and many other supplies to be ready for our opening! We are looking for additional staff now, too!
