NORTHWEST OMAHA

Launched Our Second Campus • October 1, 2023

Meet Roger and JoAnna Van Horne

King of Kings has been home to our family for about three years now and we are so thankful to be a part of a church that is growing the kingdom of God and making Jesus the priority.

When looking for our family's church, we were seeking a sense of belonging, a place where our children could build a strong faith foundation in Christ, and for us to strengthen our faith. We found all of this and more at King of Kings through the Pastors and their amazing messages, contemporary services, and welcoming congregation.

When King of Kings opened a new location in Northwest Omaha, we knew we wanted to be part of it. We have witnessed others' lives transformed through faith, worship, and baptism, and we know the impact that King of Kings Northwest Omaha can continue to have as it grows. Seeing the generosity of the staff and volunteers has inspired us to serve others even if it is outside of our comfort zone, which has led to rewarding experiences.

We encourage anyone who feels like they need a home with a church to join for a service and see how God works through King of Kings.

CARE MINISTRY

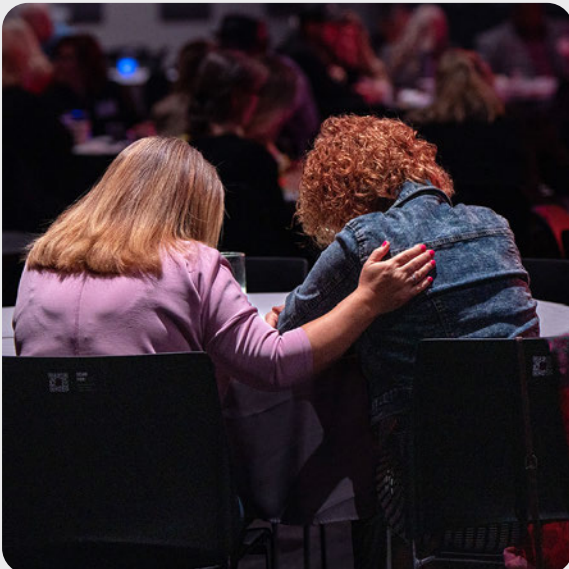

Meet Joan Jones

My testimony from attending King of Kings is the gift of acceptance. I have called King of Kings home for 25 years and have always felt the personal support and love of the pastors, the staff, the Care ministry, and the community. Even in times of fear when I have turned away from love, the Care department has helped me through the hard times until I have felt the love of Christ in my life again.

sermons and the music. I receive much-needed rest, peace, and love each week whenever I am welcomed into King of Kings.

STUDENT MINISTRY

Meet Sara Kolala

My family has been part of King of Kings for three years. When we joined King of Kings, we were looking for a church that had great programming for students that my kids could connect with. King of Kings has provided such a fun place for my boys and they look forward to coming every week. It's a casual atmosphere that makes for an easy invite to bring along friends at any time, especially when food is involved!

My oldest son, Aaron, has become very involved with the Student Ministry. He has gone with the

church on a mission trip to Tulsa, to the Lutheran youth gathering, and this summer he went to Guatemala as part of the Student mission trip. Each of these experiences has really left a lasting impact on his life and has helped to open his eyes to the world around him. He has made some great connections with other students and student leaders, and he knows that these are people that he can rely on during all the ups and downs of high school. We are so happy to have found a community at King of Kings.

MISSIONS & COMMUNITY

Meet Kailey Barry

Global missions have been a formative part of my walk with God and a significant part of my life for the past 15 years. God has used the diversity of the church to change, challenge, and encourage me in many ways. Being part of mission work has opened my eyes to different perspectives, life circumstances, and needs, breaking me of a selfish and lukewarm relationship with God and others. I can see more clearly that we are all in need of the hope that only Jesus provides. Subsequent missions have helped me understand the global church and how our partnerships can mutually benefit each other. God

brings two seemingly different communities together and interweaves them to create a beautiful, diverse, collective, gospel masterpiece.

Now is an exciting time to join King of Kings on a global mission, as we have partnerships that stretch across many parts of the world — from India to Guatemala, to unchurched parts of the United States. While we are always on a mission in our own homes and city, we also have to keep a global mindset. I am thankful that King of Kings has so many opportunities that allow us to come alongside Jesus in his commission to “go and make disciples of all nations.”

India

Sponsored the production studio that will help India Transformed empower our Christian high school, the future Christian college, and the ministry in general. We are developing virtual mission trips sponsored in India.

Cambodia

Helped build a school in Prey Veng province with 225 students.

SERVE

Four years ago, Walt Disney Elementary began a partnership with King of Kings. Through the years, the church has been an incredible source of opportunities and support I could have never imagined. Your contributions have allowed us to offer families food, necessities, and financial assistance that we would not have been able to provide otherwise. Other funding allowed the school to purchase impressive STEM materials, like a 3-D printer, robotics, and Legos. These incredible tools offer students the chance to learn and grow in ways they may not have had the opportunity to before.

One of Millard Public School's belief statements is, "Our greatest resource is people." At Disney, the volunteers from

the church have become some of our "greatest resources." It's genuinely invaluable, from volunteering every week, mentoring students, clearing the grounds, building a sandbox, and even supporting our musical. King of Kings volunteers shine a bright light on our school, bringing positivity and inspiration to the lives of Disney's students.

We are overwhelmed by the tremendous generosity so many have shown towards Disney. Thank you! You are helping change the future of our students.

Disney Principal

BAPTISMS

Meet Michelle Pechar

Almost two years ago, I was at a very low point in my life. I was in the midst of alcoholism and had contracted COVID-19 twice putting me in the hospital. The road to recovery was nearly a year long. Through that time, I came away with a greater appreciation for life. That time taught me humility and brought me out of darkness — by the grace of God, I survived!

I have been sober since January of 2022 and, as I became healthier, I began yearning more and more for a relationship with God. I was baptized at King of Kings on November 5,

2023. Today, I feel God transforming my life in ways I could never have imagined. Through consistent prayer, reading scripture, and joining in community here at King of Kings, I have seen God's love for me grow and know I can do all things through God who strengthens me.
