BOARD OF LAY MINISTRY CANDIDATES

YVETTE MOREHOUSE

Northwest Omaha Campus

I have been a member of King of Kings for five years and I am a lifelong member of the

Lutheran Church-Missouri Synod.

I have been involved as a Connect Group leader, as well as with hospitality at Millard campus and the Northwest Omaha campus.

My son is named Arie, and he is 7 years old and in 1st grade at Concordia Schools. For work, I have a sales and leadership coaching and training business.

Having morning quiet time with Jesus helps me stay in tune with how He is speaking to me and helps me have peace in my life.

A fun fact about me is that I have traveled to 34 countries!

the nursery and continued there throughout high school. I began volunteering for Vacation Bible School during my summers home from college and revisited being a crew leader when I had children of my own. My most recent involvement has been volunteering Sunday mornings as a Sunday school teacher as our children have progressed through each level. I have been married to my husband, Spencer, for 17 years and I am a mom to three boys—Carter, Blake, and Garrett. All three keep us busy with their activities ranging from trap and baseball to piano and jazz band. And I've spent lots of time on the basketball court, both as a mom and coach's wife.

I love Husker athletics, running, watching my kids do what they love, time with family, planning travel adventures and checking national park visits off our list.

I am completing my 16th year as a high school teacher and truly do enjoy what I do. I teach Family and Consumer Sciences at Millard Public Schools.

As a mom and a teacher, one verse that has been a constant source of comfort amidst the many things beyond my control is Matthew 5:16: "In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."

It's easy to get caught up in wondering if I'm praying enough, doing enough, or guiding enough. But the verse in Matthew reminds me that during those worries, simply being who Jesus has called me to be and shining my light is enough. It's a reminder to keep being a source of light for those around me. It's also a

I have been attending King of Kings for more than 25 years. I began attending

King of Kings with my parents and siblings, and I was confirmed, involved in high school ministry and later got married at King of Kings.

Most of my involvement has been in kids' ministry. Working with children has always been where my heart has led me. I began as a junior high student volunteering my time in

grounding verse, whether I'm driving to school or sending my kids off to school each day.

I attended King of Kings as a single person in the mid-1990s, and my family and I have been attending King of Kings since 2004. Julia (an educator) and I have been married for 32 years and we have four adult children—Michaela (28), Madeline (26), Allison (26), and Emily (26).

They all grew up in this King of Kings family we call home!

King of Kings has blessed our family with the opportunity to serve and lead in many ways. I led men's ministry for a long time as well as Peak Challenge. My wife and I have both served in the kids' ministry and youth ministry and I have served on many boards and committees. I served for six years (2010-2016) on the Board of Lay Ministry as president, six years (2016-2022) on the Royal Land Board and currently serve on the Board of Lay Ministry as president. I am blessed to have been a part of the sale of our land and the implementation of our Northwest Omaha and Fremont campuses.

I have worked as an attorney in Omaha for 35 years, with the last 30 as in-house legal counsel for Oriental Trading Company.

Since 2004, God has blessed the transformative, life-giving work that happens with Band of Brothers ministry and the related wilderness ministry called Peak Challenge. I have seen many men lean into God's Word and the presence of the Holy Spirit to follow Jesus and impact our world. Many lives have been changed, including my own. Through the annual trek to Colorado with Peak Challenge, I have joined over 150 other men across 20 states each July as we sit at the feet of Jesus in the greatest classroom in the world. Experiencing the Colorado Rocky Mountains, we challenge

each other to walk/hike/run in the calling that God has set out for each of us.

One fun fact about me is that I am a life-long athletic challenge seeker, having grown up as a coach's kid. At the center of it is running many 100k, 50-mile and 100-mile races, hiking 80+ 14,000-foot peaks in Colorado and even getting my girls to do 12 of those mountain peaks with me.

I've been attending King of Kings for about 25 years.

In the 2000s, I was asked to take a leadership role in developing Men's Ministries. Much of what we started at that time is still happening today! I was blessed to organize the Annual Father-Daughter Dance for a decade. I was part of the original Iron Men gathering. In reflecting on that time, I was and am most blessed by significant friendships with other men who love Jesus. Those guys are still some of my best friends today.

I am a single parent of four grown daughters. All of them were involved in the awesome kids and youth ministries at King of Kings.

I am a home builder who builds custom homes in and around the Omaha area.

Sensing, knowing, and claiming the gift of the Holy Spirit living within me has been a real blessing for me. I enjoy prayer and especially experiencing the answers that make me smile, giggle or flat out laugh, as they usually come at unexpected moments. I'm naturally curious and enjoy learning more about our wonderful God and the practice of following Jesus.

I was one of a very small group of guys who participated in the first Peak Challenge 20 years ago. It became too easy, so I haven't climbed for a few years. Ha!
