

## OMAHA PARTNER CHURCHES / SCHOOLS UPDATE

Operating a Garuna Christian School in Prey Veng, Cambodia

In Partnership with Garuna Ministries

Update #26: March 26, 2025

**YOUR GARUNA CHRISTIAN SCHOOL:** Did you know that your school is currently the largest school in the Garuna school system in Cambodia? There are 318 students registered there, with different groups in each of the morning and afternoon sessions. Thanks to the many Omaha friends who sponsor a Garuna Kid or teacher at the Omaha Prey Veng school!

Daily, the Garuna Kids learn Khmer reading, writing, math, English and BIBLE. Their day begins with prayers and a flag salute outside.

**TEACHER PROFESSIONAL DEVELOPMENT:** Three members of your faculty are enrolled in Garuna's Luther Institute-Cambodia Bible training program. In the photo below, they are in the New Testament survey class. Your principal helps lead some of the teaching, as well. In addition, 4 of the teachers are involved in a government teacher training program which provides them with a basic teaching certificate. They also have a Sunday School and teacher aide program on campus. These aides (in green shirts) are in grades 7-10. We hope they will be future Garuna School teachers!
