Living Out My Faith

What We Covered

Take Away Point: Living out your faith means actively following Jesus in everyday life

Key Verse: James 1:22 “Do not merely listen to the word, and so deceive yourselves. Do what it says.”

Why We Talked About It

Faith is much more than simply going to church and checking a box. The way of Jesus is abiding in him, living as he did, and being a light in your community. Life with Jesus is better than the way of the world. We want these students to know how great life with Jesus truly is!

What You Can Do

Read and Discuss:

- Read Matthew 28:18–20
- What does it mean to go and make disciples?
- How do we live differently because of what we believe?
- Where is one area you want to grow as a disciple?
- What does it look like for our family to live “on mission”?

Challenge check-in: Live out Your Faith

Memory Word: Transformation

Definition: A complete change from the inside out by the Holy Spirit.
