### Opening

What's your best Memorial Day memory? When was it? Who were you with and what did you do?

### Diving Deeper

1. Why does God allow depression and mental health?
2. Outside of Jesus' death and resurrection, which Biblical event or parable of Jesus means the most to you personally?
3. Read Matthew 26:36-39. Why was Jesus feeling sorry and dread? Do you believe he was having second thoughts about His mission? Why or why not?
4. Have you had a period of doubt that's caused you to question your faith? What was your response? How did you recover from that season (or are you still wrestling)?
5. What disciplines do you use to personally strengthen your faith? What's a new step you can take to further strengthen your faith?
6. What do you know about how the Bible was created? What questions do you have?
7. If you could ask God a question, what would you ask Him?
